

602PC SUITE 4.2

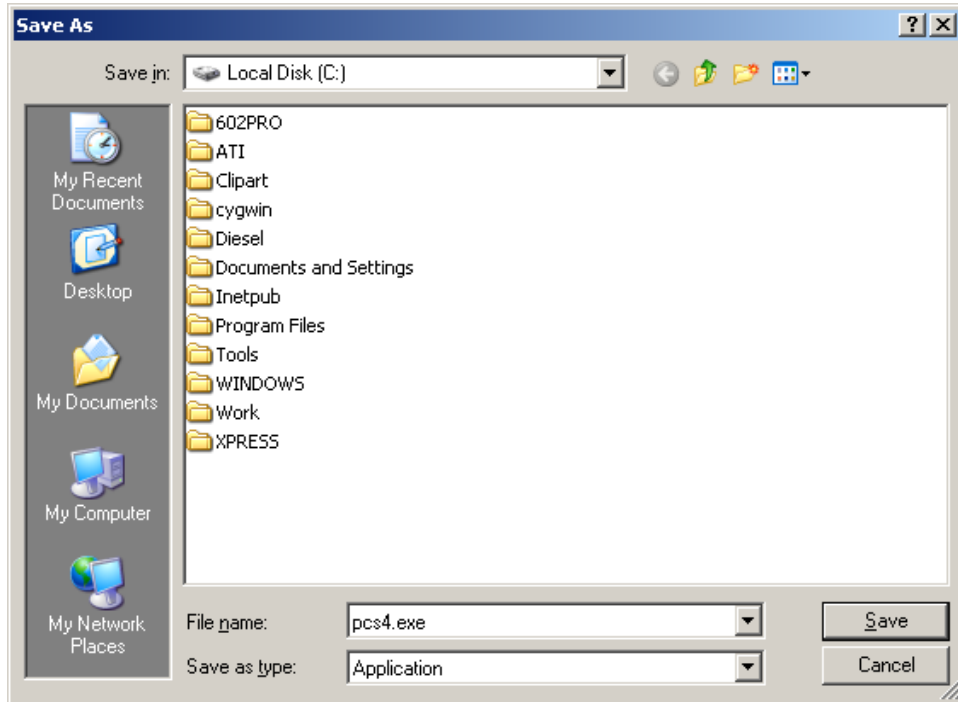

Installation Guide

Step 1: Downloading 602PC SUITE

Currently, you can download 602PC SUITE from our website at:

<http://www.software602.com/download/>

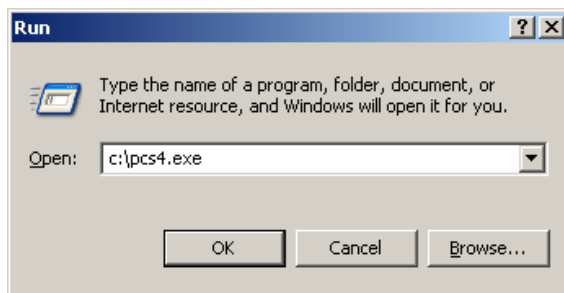

1. When asked to save the file, choose Save.
2. From the drop down list on the top of the window, choose the [C:] drive and click
3. Save (see picture below)

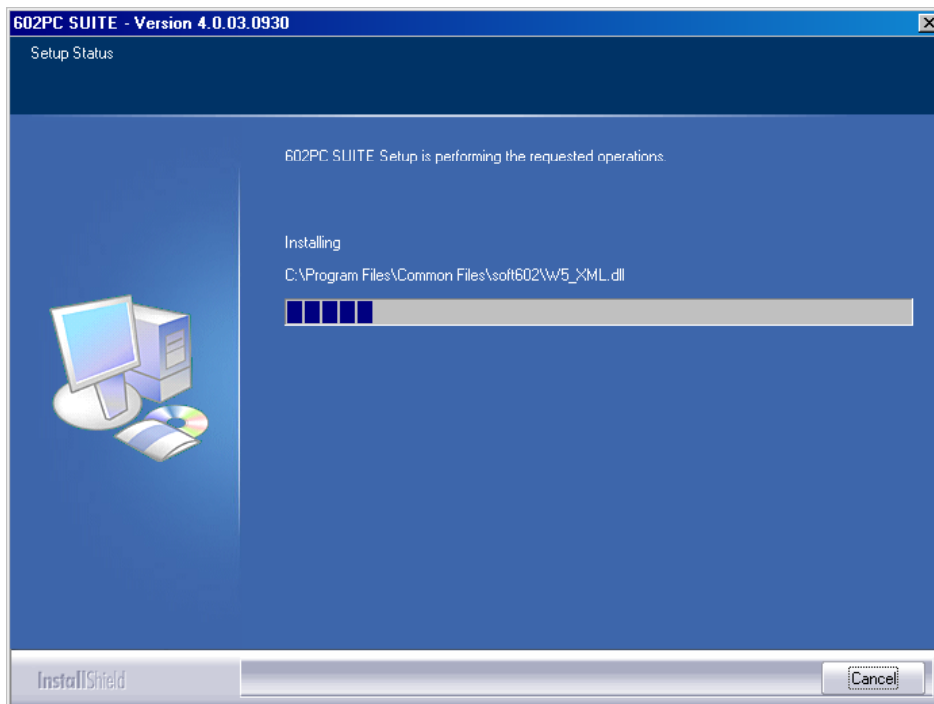

4. Wait for the download to complete. Do not disconnect from the Internet until the download is complete. Some dial-up connections may take quite a bit of time to complete this step.

Step 2: Installing 602PC SUITE

1. Click on the Start button and choose Run...
2. Erase any text in the Open line and type c:\pcs4.exe

3. Click OK and the setup program for 602PC SUITE should now launch. After the files have unpacked, you will be prompted to begin the installation. Click Next to go to the next screen.
4. Select your installation type from the available options, then click Next:
 - 602PC SUITE Paid: Use this version if you have purchased a license for 602PC SUITE.
 - 602PC SUITE Multi-user: Use this version if you have purchased a Multi-user license for 602PC SUITE (This method will require the Company Name and License ID from the section Registering 602PC SUITE).
5. Be sure to read the license agreement. If you accept the agreement, click Yes to continue the installation.
6. Type your Name and Company Name (if any) in the appropriate fields and click Next.
7. If you want to change the destination folder do so on this step, then click Next.
8. Select the files (if any) you wish to associate with 602PC SUITE by clicking to add a check in the checkbox next to the file type. When you are satisfied with your selection, click Next.
9. The Setup program will verify your settings. Click Next one more time to proceed.
10. Setup will then begin copying files as shown below.

11. Once the files have been copied, click Finish to exit the installation.

Step 3: Registering 602PC SUITE

602PC SUITE Paid

1. Open 602Text from the 602PC SUITE program group, when the program starts, a dialog box will appear.
2. Click on Register Now.
3. Once the Registration Wizard comes up click Next, then Next again, then click Register Online.
4. Enter the Registration Key you purchased, then click Next.
5. Fill out the form with all of the appropriate information, be sure to use your correct e-mail address or you will not receive your License ID!
6. Wait* and check your e-mail, you will find a letter from Software602 in your inbox.
7. Inside the letter you will find a License ID, it will start with the letters CP1TSA. Highlight it with your mouse and be sure not to highlight any additional text or blank spaces.
8. Hold CTRL on your keyboard and then press C one time to copy the License ID to your clipboard.
9. Go back to Registration Wizard and click Next.
10. Click in the blank field that asks for the License ID, hold CTRL on your keyboard and then press the V key one time. If the License ID does not appear, please repeat steps 7 and 8 again.
11. Click OK and you will receive a message stating that your registration was successful.

602PC SUITE Multi-user

1. From Step 6 of Installing 602PC SUITE click Register Now.
2. Enter your Company name and Registration Key you purchased then click Next.
3. Fill out the form with all of the appropriate information, be sure to use your correct e-mail address or you will not receive your License ID!
4. Wait* and check your e-mail, you will find a letter from Software602 in your inbox.
5. Inside the letter you will find the Company name and License ID (it will start with the letters CP1CMA). Highlight the License ID with your mouse and be sure not to highlight any additional text or blank spaces.
6. Hold CTRL on your keyboard and then press C one time to copy the License ID to your clipboard.
7. Go back to the Installation Wizard and enter the Company name EXACTLY as shown in the letter (It MUST be in lower case!). Now, click in the blank field that asks for the License ID, hold CTRL on your keyboard and then press the V key one time. If the License ID does not appear, please repeat steps 5 and 7 again.
8. Click OK and you will receive a message stating that your registration was successful.

* E-mail delivery to your computer depends on many factors and may vary according to Internet traffic and your ISP. If you do not receive your License ID within 24 Hours, please re-register. E-mail delivery is in no way guaranteed due to factors beyond our control.

Upgrade Notes

- There is no longer a need to download and register both 602Pro PC SUITE and 602Pro PC SUITE Plus. 602Pro PC SUITE Plus is now included in 602PC SUITE.
- You do not need to uninstall your existing version of 602Pro PC SUITE and 602Pro PC SUITE Plus to upgrade to the new version.
- You must register 602PC SUITE within 30 Days or it will stop working.
